## **XX International Scientific Conference "Church-Science-Society: Interaction Issues"**

*23–24 June 2022*

### **Thematic areas:**

- *church institutions' activity during wars and armed conflicts in historical, historiographical, and source dimensions;*
- *preservation of sacred monuments during military actions: historical retrospective and today's challenges;*
- *digitalization as one of the important areas of heritage protection and museum activity;*
- *written monuments in the digital world: preservation, systematization, and promotion;*
- *restoration and reconstruction of monuments damaged by hostilities;*
- *archaeological research in the areas affected by hostilities: history and contemporary international practices;*
- *interfaith dialogue and relations between the Church and the State in wartime: historical and legal aspect.*

**Applications for participation in the Conference are accepted  
until June 17, 2022**

*By results of the Conference work, a collection is scheduled to be published*

**Thematic sessions of the Conference will be formed by the Organizing  
Committee upon receipt of applications**

**Attention! Due to martial law, the participants who are outside Kyiv can attend  
conference only in the online format.**

Working languages of the Conference – Ukrainian, English, and Polish
